

HNGA COLLEGE AND CAREER DAY

Dear Parents and Guardians:

Tomorrow afternoon HNGA will be hosting a College & Career Day for our students. Please make sure your student is in attendance for the entire day tomorrow.

Nearly 70 businesses and colleges will be here for this inaugural event. The goal for this activity is for students to research and be introduced to a variety of career opportunities for which they have an interest. Students will also be awarded house points for dressing professionally. We are looking forward to an informative and beneficial networking opportunity for our students.

Thank you in advance for ensuring your student is dressed their best and here to experience this informative event planned for their career interests.

Sincerely,

Connie Franklin

Principal, HNGA
