October Events

Since we are now a STEM school, we will be hosting visits from other schools in Georgia to get ideas about how to operate a STEM school. This is going to be the norm for us and our teachers and students are ready to share what we are doing. We will be setting aside one day per month for these visits.

* ESES upper grades will be doing the ITBS testing.

*We have the privilege to host Hats for Hope again this year and we are excited to help our community.

Boosterthon is coming back and we are excited to raise funds for our school

*House Colors. As part of our positive behavior plan, we are again hosting house colors to encourage students to compete for good behavior. It proved to be effective last year and we are doing it again this year.
