### From Council Members:

- Pep Rally at Chick-fil-a had great turn out. So parked there was not even any parking!
- At the board meeting Houston County was mentioned tons of time for positive things (sports, spirit, academics, etc.).
- Dr. Rizer addressed the information that was compromised by a student. Parents' email, home addresses, and phone number were compromised as well as teacher social security numbers. This release has been shut down for the most part and is currently under investigation. There has been some concern about threats at the school this

week. All situations have been investigated and nothing tangible has been found. AP have been wonderful throughout this whole situations.

From Coach A. Crawford (sports): Football Region Champions, Softball State Runner-Up, and Cheerleading Region Champions, 5<sup>th</sup> in State and Rebecca White won cheerleader of the year.

#### **New Business:**

Many pieces to the puzzle, but we have made gains and our school has the highest graduation rate in the county. 33<sup>rd</sup> in the state for all schools, 23<sup>rd</sup> if you take out non-traditional schools.
- Milestone Report: Data came out very recently. We have not had a group discussion with teachers. BST will dig into data on December 7<sup>th</sup>. Gains in many areas. Led the system in 4 areas. Math was taken online in 2014-2015 school year.
