Reports:

From Council Members: Flow of traffic has been good. Parents are pleased with the improvements for pick-up and drop-off. Traffic and stop lights on Highway 96 were discussed as well as concerns related to construction on the roads.

From Coach A. Crawford (sports): This has been a great year for fall sports. Football is 2-0, softball is 11-4, and volleyball is also doing well. Great things were said about the new Cross Country coach, Mr. Hurlbert, and his work in revitalizing the team. It was mentioned that FCCLA was recently recognized. Mr. Davis, the new band instructor, is doing very well with the marching band. It is a very large group and it has sounded great!

New Business:

- Election of Secretary: Anna Morrison was nominated as the new secretary. All voted in favor.
- School Council Handbook: Agreed to update the date in Article 1. Article 4 is not changing with the council in favor of keeping three parent representatives and 2 business representatives. Agreed to keep attendance guidelines from previous years (do not miss more than two meetings without an excuse).
- Meeting Dates for the Year: November 19th, January 28th, and April 7th. Elections will be held May 17th at 6 pm.
- School Improvement Plan: The plan has been condensed. We will receive testing data in October and update the school improvement plan accordingly.
- Renovations: Everyone that was originally in the front of the school can move back now. The 600 hall will move at the end of this week and be in the two story building for six weeks. In mid to late October the 800 hall will move to a new location while being renovated. The 700 hall will move during 2nd semester. On October 2nd, the Media Center should be up and running. We plan to be done with renovations by the end of this school year.
