

Naval Reserve Officer Training Corps Marine Corps Option

In the NROTC Marine Corps Option, highly qualified applicants can receive \$180,000 for education at one of over 150 top universities and colleges throughout the United States.

The scholarship includes money for almost all areas of school expenses including tuition, books, fees and uniforms, along with extra costs associated with being a full-time student.

To find out more, Call 1-800-Marines, or go to www.marines.com/request-information, or scan the QR code in this flyer.
