

Houston County High School

Student Parking Rules

2017-2018

Your permit must always be displayed from your rear-view mirror. The front of the permit having the permit number must be visible from outside of the vehicle.

If another vehicle is parked in your assigned parking spot you are to park in the last numbered spot of your parking lot. While it is inconvenient for you, parking in the last number spot will help eliminate further problems for the day. You are to report, to the main office, that another vehicle has taken your assigned location.

The Houston County Board of Education is not responsible for losses of or damages, including bodily injury, to the property of users of its facilities.

The school administration reserves the right to suspend or revoke parking privileges without a refund for the cost of a permit.

While on campus, your vehicle is subject to searches at any time.

On school days, student vehicles are not allowed to park closer than the Side Parking Lot, including areas near the baseball field, bus ramp, greenhouse, or the rear of the gym, until after 3:15 PM.

Within your designated parking spot, you are to park on the paved surface between two white lines.

Replacement parking permits cost \$50.00 until April 2, 2018 when the cost of a permit becomes \$25.00.

If your privileges are revoked during the fall semester, you may purchase a new parking permit if available or put your name on the waiting list when the spring semester begins.

When you arrive at the school park your vehicle and go directly into the school building. When you have been dismissed for the day, you must leave the parking lot immediately.

Students are not allowed to ride in the back of a pickup truck or the outside of any other vehicle except a motorcycle.

Report all accidents to the main office immediately.

On-campus student parking is a privilege provided by Houston County High School. Violations of parking lot rules may result in your vehicle being booted, your permit being suspended, or revoked.

Parking Rules violations may be managed through the use of a vehicle boot. The first time your vehicle is booted it will serve as your warning. Each subsequent offense will result in a \$50.00 fine payable before the boot is removed.

There are several actions which will cause your vehicle to be booted or have your parking permit to be suspended or revoked. The following list is general in nature and does not include all infractions that may result in the disciplinary action indicated:

Parking without a parking permit

Parking in the wrong location

Going to the parking lots during the school day without permission from an administrator

Leaving campus without permission

Violating any Houston County School System rules regarding alcohol, drugs, or weapons

Violating any rules applicable to Georgia highways

Excessive tardy to school or classes.

Parking Locations

You will be allowed to park in one of three different areas depending on the permit issued to you by the Houston County High School.

Front Parking Lot – This lot is in front of the gym on the north side of campus. It is reserved for students who have schedules with work-based learning and move on when ready classes off campus at CGCT, MGSC, GMC and FVSU. Park in your numbered space only.

Side Parking Lot – This lot is located on the west side of campus. Access is from Bear County Boulevard. Students with a normal 1st through 7th period schedule may park here. Park in your numbered space only.

Back Parking Lot – This lot is located behind the two-story building on the south side of campus. Access is from Jerry Barker Boulevard. Students with a normal 1st through 7th period schedule may park here. Park in your numbered space only.
