Voluntary Student Accident Insurance

The Houston County School District has again arranged for voluntary student accident insurance. This is strictly voluntary and is not health insurance. The premium is paid by for by the parent or guardian of the student. Several options and plans are available and are described in the 2017-2018 Student Accident Insurance Coverage flyer.

Those wishing to enroll have the option of mailing the Enrollment Form directly to the address provided or enrolling online following the provided instructions. Please do not send your enrollment form and payment to the school. For any questions you may have, please contact The Young Group at 1-888-574-6288.
