7. Presentation to School Council

Leskovar presented to the council on to topic of the RTI. She explained the scientific research that drives the RTI process. Each of the steps in the cycle are nationally recognized/honored and are followed in a systematic order. At KCES data teams are formed where teachers and administration discuss and compare results from common grade level assessments to determine where student gaps are present. The purpose of these monthly meetings is to determine students' needs before learning gaps become significant and hinder their education.

8. Report of Principal

Ray presented to the school council on the upcoming installation of ZSpace. Teachers will be getting trained on how to use the new technology and will be implementing it in their classrooms next year. Milestones testing is currently going on and results should be available in the beginning of May. Next school our new APD will be Dana Brock. Ray is looking for suggestions/ideas for school theme ideas for next year.
