What is a School-Parent Compact?

A school-parent compact is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards. At CBWPS during all parent-teacher conferences the compact will be reviewed.

Jointly Developed

The parents, students and staff of CB Watson Primary School developed this School-Parent Compact. Teachers suggested learning at home strategies and parents added ideas about things they specifically needed and students shared what support they needed. Shared Decision Making Meetings are held each spring to review the compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.
