

## CBWPS Charmed Readers Reading Incentive Program

At CB Watson Primary, we believe reading outside of school is fundamental for a child's success in school. This year we are starting a new reading incentive program to help encourage students to read at home every night. Your child will be able to earn awards and prizes for reading outside of school. Here's how:

**Pre-K** students will earn a charm and treat for every 20 books read (a full reading log sheet).

**Kindergarten** students will earn a charm and a treat/prize for every 10 books recorded.

**\*1<sup>st</sup> and 2<sup>nd</sup> grade** students will receive a charm for every 10 books read and treats/prizes will be given at different increments.

\*In 1<sup>st</sup> & 2<sup>nd</sup> grade, levels are taken into account. Students reading on levels A-G will count books. Students reading on levels H and up will count minutes (10 min. = 1 book)

\*\*It will be each teacher's discretion on how books or minutes are recorded. Some teachers will use separate reading logs and some will use agendas for keeping up with reading outside of school. Please find out from your child's teacher how reading outside of school should be recorded.

At the end of the year, in grades K-2<sup>nd</sup> special awards will be given to the Top Reader in each class. This will be the student with the most charms. Special awards will also be given to the student in each class who has improved the most in reading. There will also be a Charmed Reader Luau at the end of the school year for students who have received a certain number of charms TBD.

It is our goal to encourage and motivate students to read outside of school. **Please make sure your child reads at least 20 minutes each day.**

Please visit our school's Media Center website for links to **FREE** eBooks that can also count towards our Charmed Readers program.
