**2016-2017 School Year**

**Dr. Greg Peavy, Principal  
926 Green Street  
Warner Robins, GA  
Revised August 16, 2016**

## **What is Title I?**

Northside High School is identified as a Title I school as part of the Elementary and Secondary Education Act of 1965 (ESEA). Title I is designed to support State and local school reform efforts tied to challenging State academic standards in order to reinforce and enhance efforts to improve teaching and learning for students. Title I programs are based on effective means of improving student achievement and including strategies to support parental involvement. All Title I schools must jointly develop with all parents a written parental involvement policy.

## **School Plan for Shared Student Achievement**

**What is it?** This is a plan that describes how Northside High School (NHS) will provide opportunities to improve parent engagement to support student learning. NHS values the contributions and involvement of parents in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that NHS will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

**How is it revised?** Northside High School welcomes parent input and comments at any time regarding the plan and the use of funds. Parent feedback will be used to revise the Parent Involvement Plan and Compact for the next year. NHS encourages parents to provide feedback at any time during the school year by:

- Utilizing the suggestion boxes located at both NHS and Tabor main offices.
- Participating on the Parent Action Team
- Responding to the Annual Parent Satisfaction Survey
- Submitting comments via the school's website
- Participating in the Shared Decision Making Parent Meeting

**Who is it for?** All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. NHS will provide full opportunity for the participation of parents with limited English, parents with disabilities, and parents of migratory children.

**Where is it available?** At the beginning of the year, the Parent Involvement Plan is included in the Title I Parent Handbook that is provided to all students to take home. This plan is available on NHS website, in the Parent Resource Room, and by request.
