## The Six Requirements to Build Parent Capacity for Involvement

Title I schools must carry out the 6 requirements to build parent capacity to be involved in school and their child’s education.

1. Provide assistance to parents in understanding:
  - a. State’s academic content standards (Common Core Georgia Performance Standards)
  - b. State’s academic achievement standards
  - c. State and local assessments
  - d. How to monitor a child’s progress
  - e. Work with educators to improve the achievement of students
  
2. Provide materials and trainings to help parents work with their children to improve their achievement
  - a. Capacity building, learning at home activities
  - b. Literacy training

c. Technology training

3. Educate administrators, teachers and staff in the value of parental involvement and how to communicate with, and work with parents as equal partners
4. Coordinate and integrate parent involvement with local Head Start and local daycare/preschool programs
5. Ensure that information is sent out in a format and language that parents can understand
6. Provide such other reasonable support for parental involvement activities
