

Opportunities to Volunteer

We welcome and encourage parental involvement. All volunteers are required to have a background check in order to participate in some areas.

There are several ways for parents to give of their time and talents. Opportunities such as chaperoning events, tutoring small groups of students and proctoring for tests are just a few.

Parkwood Parent Resource Center

Parents are always encouraged to visit our Parent Center located in the office lobby or Room 18. Please contact our Parent Involvement Coordinator for more information.

Family-School Compact 2016-2017

503 Parkwood Drive
Warner Robins, Ga 31093

What is a Family-School Compact?

A Family-School compact is an agreement that explains how parents, teachers and students will work together to make sure all students reach grade-level standards. This agreement was jointly developed by stakeholders and is reviewed/ revised annually based on feedback from all stakeholders. Compacts will be discussed during parent-teacher conferences.

Goals for Student Success

Houston County Goals

- ◆ Increase the value of the district College and Career Readiness Performance Index (CCRPI) score by ensuring each Houston County School provides high quality instruction and Response to Intervention (RTI).
- ◆ Increase the percentage of parents who feel their child's school provides various opportunities for engagement.

Parkwood Elementary Goals

Increase the percentage of 4th grade students achieving a score of proficient or above on the Math GMAS assessment by 7%.

Increase the percentage of 4th grade students achieving a proficient or above score on the ELA GMAS assessment by 7%.

Fourth Grade Focus Areas

- ◆ Math Fluency and Problem Solving
- ◆ Reading Skills and Comprehension.
- ◆ Recognition of Spelling Patterns

Teachers, Parents, and Students Together for Success

Teachers will...

- ◆ Provide families online resources and strategy based activities to help develop the understanding of multiplication and division within 100.
- ◆ Conduct a Parent Learning Lunch and Learning Dinner focusing on math strategies for fluency, problem solving, reading skills, comprehension and recognition of spelling patterns.
- ◆ Provide appropriate level texts for students to read for improving fluency and questions to improve comprehension.

Parents will...

- ◆ Practice Math strategies with their student using teacher recommended online resources and/or strategy based activities to develop the understanding of multiplication and division within 100.
- ◆ Attend a Parent Learning Lunch and Dinner focusing on math strategies for fluency, problem solving, reading skills, comprehension and recognition of spelling patterns.
- ◆ Encourage student to read nightly from their individual text for at least 20 minutes and ask comprehensive questions provided.

Students will...

- ◆ Practice Math skills nightly by using online resources or activities provided.
- ◆ Remind my parents about the Parent Learning Lunch and Learning Dinner.
- ◆ Read appropriate level text for at least 20 minutes nightly and answer comprehensive questions provided.
