

# Shared Decision Making Meeting

## We NEED You!!!

You are invited to attend a community input meeting presented by the Houston County Board of Education Federal Programs Department. Your input is greatly needed as we review Federal Program requirements and district-level plans. This collaborative effort is not only important in helping to improve student achievement, but also in building stronger community relations.

## Highlights:

- Federal Programs Overview
- System Achievement Data Update
- District Documents and Budgets Overview
- Feedback and Discussion
