**EOC courses:** EOC scores count 20% of the student’s final average. Because EOC scores are received and entered after exemption notification, it is possible for a student to exempt with a B and the final grade change when the EOC score is added. The final exam will count as a test grade.

**\*\*Honors and AP course averages include quality points (3 points for Honors and 5 points for AP). While students are permitted to exempt if their average is 80 – 82 for honors and/or 80 – 84 for AP classes, doing so could negatively affect their HOPE GPAs as those quality points are removed for Hope calculations. The resulting grade would be a C, which equates to a 2.0 weight for Honors and 2.5 weight for AP on a 4.0 scale.**

**Final exam Exemption Policy and Procedures:**

Students are eligible to exempt finals for courses in which they meet the following criteria:

- Class average of 80 or above
- 5 or fewer absences
- No ISS/OSS during the semester
- Clear of any school financial obligations

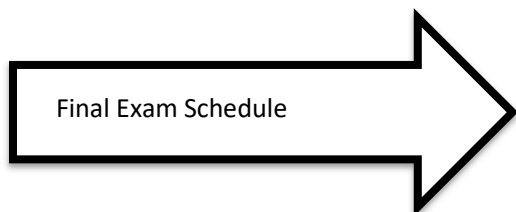

Students exempt from finals do not need to report to school during the exempted final.

If a student does not exempt all finals for a given day, he/she may enter and exit school only before or between final exam periods.

If a student is unable to leave campus during an exempted exam, he/she will be required to attend their scheduled class and remain quiet while others take their exam.

There will be no early dismissals or deliveries during exam periods.

Any student who is absent for one or more final will be required to take make-up exams on Tuesday, May 28 at 8:00am. Students will need to report to the office for exams.
