The Georgia Parent Survey for 2017-2018 is open for all parents. The questions on this survey will mirror the school climate questions in the Georgia Student Health Survey. Data collected will be used to calculate the school climate star rating within the College and Career Readiness Performance Index (CCRPI). We value your opinion, and ask that you take time to complete this survey. Please be assured that your responses to this survey will be anonymous.

To complete the survey, please go to the website below:

<http://gshs.gadoe.org/parents>

Paper copies are also available in the front office upon request. The survey is available until March 2, 2018. Thank you for your time and continued support of Perry High School.

The tutoring schedules for the English, Math, Science and Social Studies departments are available on the main page of the Perry High School website. Tutoring is offered in the morning and the afternoon for most subjects. Students can attend tutoring sessions with teachers other than their classroom teachers.
