*EOC scores will count 20% of the student's final average. Because EOC scores are received after exemption notification, it is possible for a student to exempt with an A and the final grade change when the EOC score is added. Final Exams in EOC courses will count as test grades.

Final exam Exemption Policy and Procedures:

Students are eligible to exempt finals for courses in which they meet the following criteria:

- Class average of 90 or above
- 3 or fewer absences
- No ISS during the semester
- Clear of any school financial obligations

Students exempt from finals do not need to report to school during the exempted final.

If a student does not exempt all finals for a given day, he/she may enter and exit school only before or between final exam periods.

If a student is unable to leave campus during an exempted exam, he/she will be required to read or study quietly in the Media Center.

There will be no early dismissals or deliveries during exam periods.

Any student who is absent for one or more final will be required to take make-up exams on Thursday, May 24th at 8:00am. Students will need to report to the office for exams.
