

# Dental & Medical Assistance

## Dental Info:

### Central Georgia Technical College

Offers dental services such as \$2.50 X-rays and \$7 cleanings to members of the community.

This semester, the dental clinic is open on Tuesdays from 8:00a.m. – 10:00a.m. and Wednesdays from 1:00p.m. – 3:00p.m. Mrs. Kendrick is the contact person at Middle Georgia Technical College and her number is 988-6800 (Ext. 4028). Should have questions, please contact me.

### Rehoboth Life Care Ministries, Inc. (Volunteer Dental Clinic)

A non-profit 501(c)(3) corporation sponsored by the [Rehoboth Baptist Association](#) of Warner Robins, Georgia. Our mission is to spread the love of our savior, Jesus Christ, by providing quality dental care to those that cannot afford such care, regardless of their race, gender, or religion.

If you are one of the millions of uninsured people that cannot afford necessary dental care, then you found the right place! The services provided by our licensed professionals are on a volunteer basis. Our dentists, dental hygienists, dental assistants and support staff are all caring individuals who enjoy reaching out to others as Jesus would have them do.

## **HOURS OF OPERATION**

The clinic is open for Financial Screenings on the 1st and 3rd Tuesday of every month between 9am-12noon. Appointments are necessary. Please call for an appointment as well as a list of items to bring to your appointment so that you may prove your HOUSEHOLD INCOME.

**To schedule an appointment call:**

**478-953-7770**

**Staff Hours: Monday-Friday 9am -4pm**

Dr. Amy Loden is a member of "Give Kids a Smile" and is offering a one time free dental cleaning to any kid that needs it. If she finds that some dental work needs to be done, that work will also be covered. Do you guys know of any kid here who needs some help? Just got this text today. Thanks,

Oglethorpe Dental Center

1248 Oglethorpe Street

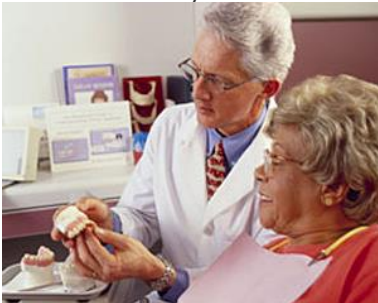

Macon, GA 31201

Phone: 478-743-5856

## Welcome

Dr. F. B. Davis is a graduate of the Medical College of Georgia. He is trained to diagnose and treat oral disease. **Oglethorpe Dental Center** has been in business since 1971, at the same location. Our two master technicians have over 60 years of combined experience. Our dental hygienist on staff has over 20 years of experience.

**Oglethorpe Dental Center** is a member of GDA and ADA. Some of the services that we offer include:

- **Emergency Extractions**
- **Cleanings**
- **Fillings**
- **Bleaching Kits**
- **Implant Assisted Dentures**
- **Dentures**
- **Partials**
- **Relines**
- **Repairs**
- **And More!**

---

At **Oglethorpe Dental Center**, our mission is to coordinate our dental services to the individual needs of each patient by providing urgent dental care and affordable dentures. We offer quality dental care because preserving healthy smiles is our top priority.

### **Houston County Volunteer Medical Clinic**

The guest agency at our United Way kickoff for our system campaign was the Houston County Volunteer Medical Clinic. The director talked about free medical care for the working but uninsured who make below a certain gross income. I am sharing this information with you in case you know of parents or others who might be in need of this service.

FYI, the contact information for the director, Ms. Betrossoff, is:

Vicky Betrossoff, Director, Ph# 478-923-6840

H/C Volunteer Medical Clinic

125 Russell Pky

Warner Robins, GA 31088

## Houston County Volunteer Medical Clinic

Houston County Volunteer Medical Clinic is a non-profit facility providing free medical care to working, uninsured citizens of Houston County. The doctors, nurses, technicians and administrative personnel all volunteer their time to provide primary care services two evenings per week. The clinic depends on donated funds to provide free, quality, compassionate medical care to those who have no other resources for health care. The Volunteer Medical Clinic offers primary, non-emergency, medical care on an appointment-only basis.

The Houston County Volunteer Medical Clinic is a non-profit 501(c)3 corporation with the mission to provide the medically under-served in Houston County with excellent health care in an atmosphere of caring and compassion. The clinic opened in January, 2005 with funding from Houston Healthcare Houston Medical Center Auxiliary, Healthcare of Central Georgia, as well as many individuals and businesses. The Volunteer Clinic is also a United Way of Central Georgia Inc. Agency.

Our vision is that we use the gifts that God has given us to open our minds, hands and hearts to our brothers and sisters in need.

Although the Houston County Volunteer Medical Clinic is not affiliated with any specific faith or religion, the motivation of many of our volunteers is faith-based.

If you would like to make a donation to the Clinic, please call 478-923-9730.

### Who Qualifies for Services?

- You must live in Houston County.
- You must be between ages 18-64.
- You or your spouse must be employed.
- You must be uninsured.
- Your family's gross income must be 200% of poverty level or less.
- You must provide proof of your family income.
- You must provide identification.
- You must provide your social security number. (There are exceptions to this policy).

## Income Guidelines

Household size	Income Limit
1	\$20,240
2	\$27,380
3	\$34,340
4	\$41,300
5	\$48,260
6	\$55,220
7	\$62,180
8	\$69,140

## Are Prescription Medications Free?

Many medications can be obtained for patients through the Community Health Works Patient Assistance Program. A representative of Community Health Works is available for patient consultation at the patient's appointment time and will help the patient in applying for prescription medication assistance. There is a \$5 per month per prescription co-pay for some medications through Community Health Works Patient Assistance Program.

5 pm to 8 pm

*Pre-qualified patients seen during clinic hours by appointment only.*

125 Russell Parkway

Warner Robins, Georgia 31088

Phone: 478-923-9730

Fax: 478-923-5515

## **Medical grant application**

Below is a link to medical grant application parents can complete for assistance with medical bills not covered by their insurance or where paying the deductible or co-pay would cause a financial hardship. They must have private insurance.

This is not applicable to families who do not have insurance or are covered by Medicaid or Peach Care.

<http://www.flaghouse.com/gwUnitedHealth.html>

## **Synopsis:**

### **United Healthcare Children's Foundation Grants**

The United Healthcare Children's Foundation will support the medical needs of children with grants for services not fully covered by health insurance. Examples of the types of medical services covered by UHCCF grants include speech therapy, physical therapy, and psychotherapy sessions; medical equipment such as wheelchairs, braces, hearing aids, and eyeglasses; and orthodontia and dental treatments

- Minnetonka, MN 55343

# GRANT APPLICATION CRITERIA

Please carefully read the criteria. Applications submitted that do not meet the criteria will not be considered. The Foundation may also request additional information from you after the application is submitted.

In evaluating applications, the Regional Board will consider applications based on the following criteria:

1. The UnitedHealthcare Children's Foundation has a specific set of items that are excluded from grant consideration. For a complete list of exclusions, [click here](#).
2. The applicant must be 16 years old or younger and live in the United States and receive and pay for care/items in the United States.
3. The applicant must be covered by a commercial health insurance plan and limits for the requested service are either exceeded, or no coverage is available and/or the costs are a serious financial burden on the family. The UnitedHealthcare Children's Foundation requires a commercial health insurance plan. A commercial health insurance plan is defined below:

## Included

Your commercial health insurance plan is offered through:

Your commercial (private) employer. Example: most grant applicants whose parent works for a commercial entity will have this type of health insurance.

Your health insurance plan is offered through a commercial health plan that you individually purchased. Example: small business owners, sole-proprietors, etc.

Your health insurance plan is offered through your employment with a town, city, state or federal government. Example: teachers, police officers, active duty or civilian military duty, etc.

## Excluded

Medicaid, Medicare, SCHIP (which may be called various names by each state), HIS or other state or federally subsidized health insurance programs given to those without insurance or with low incomes.

4. The potential of the intervention to significantly enhance either the clinical condition or the quality of life for the child, the financial status of the family and the severity of the child's illness. If a grant is approved, services must be provided by a trained, and if appropriate, licensed professional.
5. Financial need of the child's family will be evaluated and documented through information provided on the application and by submission of a photocopy of the most recently filed Federal tax return (Internal Revenue Service 1040, 1040-A, or 1040-EZ). The following scale will be used to determine financial eligibility:

<b>Your Family Size</b> As reported on your IRS 1040	<b>Adjusted Gross Income</b> As reported on your IRS 1040
2	\$50,000 or less
3	\$75,000 or less
4	\$100,000 or less
5 or more	\$125,000 or less

6. Awards will NOT be granted to individuals in families whose Adjusted Gross Income (AGI) exceeds the scale.
7. Other financial resources to meet the health care need are not available.
8. The amount awarded to an individual within a 12-month period is limited to either \$5,000 or 85% of the fund balance, whichever amount is less. Awards to any one individual are limited to a lifetime maximum of \$10,000.
9. Grant recipients who are awarded less than \$5,000 may re-apply for another grant once the current grant funds have been completely exhausted. The 12-month \$5,000 limit (or 85% of the fund balance) and \$10,000 lifetime maximum limits apply.
10. An application must be submitted prior to the child's 17th birthday.
11. The health care professional is to be paid directly; exceptions can be made to reimburse the family if adequate documentation is submitted showing the health care professional has been paid.
12. Applications are to be reviewed by a health care professional appointed by the Foundation to determine the medical appropriateness of the treatment.
13. Grant awards are retroactive to sixty days prior to the date of application and have an expiration date of approximately one year, unless the funds are exhausted prior to the expiration date. The grant will NOT cover any medical costs outside this date range.

14. Applicants who are not approved by the Regional Board must wait a period of twelve months before re-applying, unless the medical condition and requested items have significantly changed from the original request.
15. In order to apply for your child, the child must live with you 51% or more and be listed as a dependent on your most recently filed IRS 1040. If the child is not listed on your most recently filed IRS 1040, then we need a copy of both your most recently filed IRS 1040 and the most recently filed IRS 1040 on which the child is listed as a dependent.

## **GRANT APPLICATION - CRITERIA - EXCLUSIONS**

The following set of items are excluded from grant consideration. Applications submitted for these items will not be considered.
