

Our Beliefs

1. We will maintain high expectations by providing a rigorous academic and technological curriculum to a diverse population of students.
2. We will use a variety of educational approaches to engage all students and provide opportunities for them to demonstrate their understanding.
3. We will continue to strive for excellence when challenges appear impossible.
4. We will continue to be lifelong learners.
5. We will practice our mission and vision daily, bringing them to fruition.
6. We will practice learning by doing through our PLC work.
