

Thomson Middle School  
Jekyll Island 4-H  
AC & Honors Field Trip  
6<sup>th</sup> & 7<sup>th</sup> grade  
March 6-8, 2017

---

## STUDENT BEHAVIOR CONTRACT

Extended field trips including the Jekyll Island 4-H AC & Honors Field Trip involve certain possible risks which make cooperation, responsibility, and self-discipline mandatory. *This trip is a privilege.*

Students will be considered in school while attending any activity associated with this trip, as well as while traveling and participating in activities during the trip. ALL school rules and BOARD policies will apply during the dates of this trip. Any infraction will result in the subsequent, appropriate assignment of consequences upon return to school.

Any behavior that violates rules established by teachers or administrators while in charge of this trip as representatives of the Houston County School Board may result in room changes. Phone calls will be made to inform parents/guardians of any problem or issue that arises. As each student is a representative of Thomson Middle School, high expectations are expected for behavior.

**I understand the necessity and conditions of this behavior contract. I agree to cooperate with a pleasant attitude regarding all rules established for this field trip.**
