

Tiger Parents,

The time has come for us to take our yearly Sports physicals. As always, our physicals will take place at The Northside Tabor Academy. The date of the physical is April 11<sup>th</sup>. We will form a line outside of the **Tabor Gym at 5:30 and the process will start at 6:00.** This year, we are asking parents to transport the athletes to Tabor because we will have a track meet at Huntington Middle School the same day. However, all of the athletes that are participating at the track meet who wish to receive a new physical will be transported by bus to Tabor.

Please keep in mind that this physical is good for one calendar year( April 11, 2017- April 11, 2018). This means that for any sport they play next school year they are covered. The front page of the physical form must be filled out, signed by student and parent and then brought back to Coach Ivory by April 7<sup>th</sup>. I will keep the form and bring them with me to the physical location. The **cost of the physical is \$10** and it can be paid by cash or check. **Money must be paid by Friday April 7<sup>th</sup>.** Please make checks out to TMS Athletics. Please see the attached Physical form

Kind Regards

Prospective Cheerleaders and Parents,

It is that time of the year when Thomson Middle Athletics begin the selection process for 2017-2018 cheer squads. There has been a major change in Houston County's Middle School Cheer Program. We will be combining 7<sup>th</sup> and 8<sup>th</sup> grade competition squads while at the same time creating a 7<sup>th</sup> grade game squad and an 8<sup>th</sup> grade game squad. We are very excited about the change as it aligns us with the high schools.

To get all of the information about all of the changes and to receive tryout information we are having a **MANDATORY** parent meeting on April 4<sup>th</sup> in the Tigers Gymnasium. The time of the meeting will be 5:30. If your daughter is as excited about this coming year as we are, then you **MUST** attend.

Kind Regards
