Parents needed for the Parent Action Team

Tucker Elementary School is looking for parents to join our Parent Action Team. The Parent Action Team meets four times or more a year to coordinate and monitor all activities. They meet to plan and implement activities in the One-Year Action Plan. They create a welcoming school environment for families by engaging families and the community in ways that support student achievement and success. The Parent Action Team writes the One-Year Action Plan, the Parent Involvement Plan, and the Parent-Student-Teacher Compact each year.
