INAUGURAL COMMEMORATIVE BRICKS FOR VETERANS AND DONORS

BRICK ORDER FORM

In honor of Veterans who have served our country and helped to preserve peace and freedom throughout the world, Veterans High School is proud to offer commemorative bricks to be placed in a “Walk of Heroes” tribute site located at the flag pole in front of the main entrance to the school. The tribute to our Veterans will be marked by a headstone explaining the site and its importance. Veterans High school is honored to have the opportunity to honor those who have served our country in the armed forces. We thank you for your sacrifice.

There will be an additional site for those donors and patrons who wish to purchase a brick in honor of any person or organization. This site will be located in front of the gym and will also have a headstone explaining the site and its importance. This is a great opportunity to honor a loved one for decades to come and to make them a part of Veterans High forever!
