

High School Juniors

# Washington Youth Tour 2018

Tour Dates: June 7 - 14

High school juniors, **you** could win an opportunity to represent Flint Energies on an all-expenses-paid trip of a lifetime to our nation's capital! You could join more than 1,500 other delegates representing EMCs from 44 states.

While in Washington, participate in National Youth Day and visit many of Washington's places of interest. Each year, the WYT allows delegates to experience national monuments such as the Jefferson, Lincoln and FDR memorials, and reflect on the words of leaders who helped make America great. You'll also have the opportunity to meet your representatives from Georgia's congressional delegation.

Since 1964, electric cooperatives across the United States have sent more than 50,000 student delegates on the Washington Youth Tour, providing opportunities for leadership development and inspiring students to become strong, motivated leaders within their communities—and their nation.

***Answer your call to leadership and apply today!***
