M. Winters	Algebra 2 & AMDM Tue & Thu 7:20 - 7:40 Thu 3 - 3:30	D29

Students, you should first attend tutoring sessions conducted by your own teacher in order to increase your understanding and learning in your math content area. If a student can not attend tutoring conducted by his own teacher, a student may attend other tutoring sessions. *Students should be on time to tutoring. *Students must bring materials with them to tutoring. *Students that misbehave will be dismissed from tutoring.
