

Update Instructions

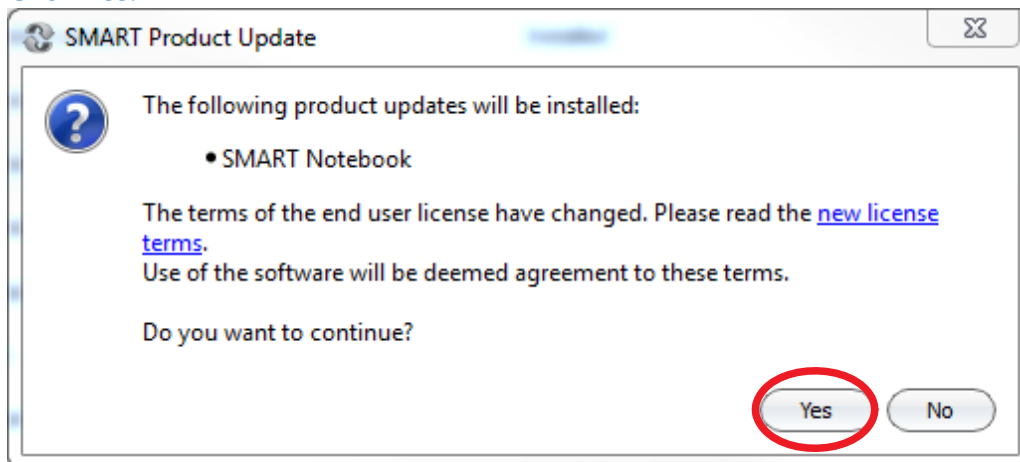

Friday, October 16, 2015 9:57 AM

Follow these simple instructions for updating your SMART Notebook software. Please note that this process can take 30 minutes or longer, depending on the machine and network. Teachers should not do this right before class, but rather during their planning period or at the end of the day.

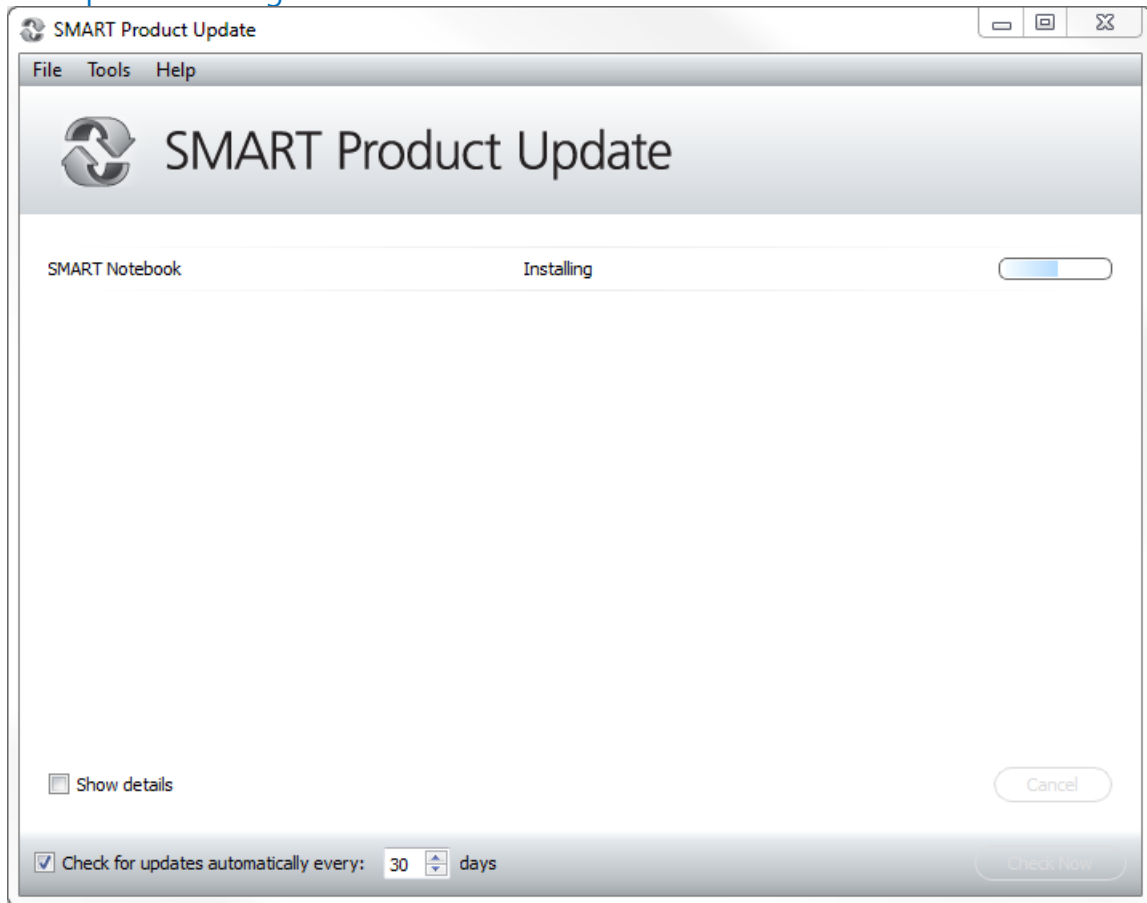

1. Open SMART Notebook and click on the Help menu at the top of the window.
2. Click on Check for Updates and Activation...
3. The following window opens. To the right of SMART Notebook, click Update.

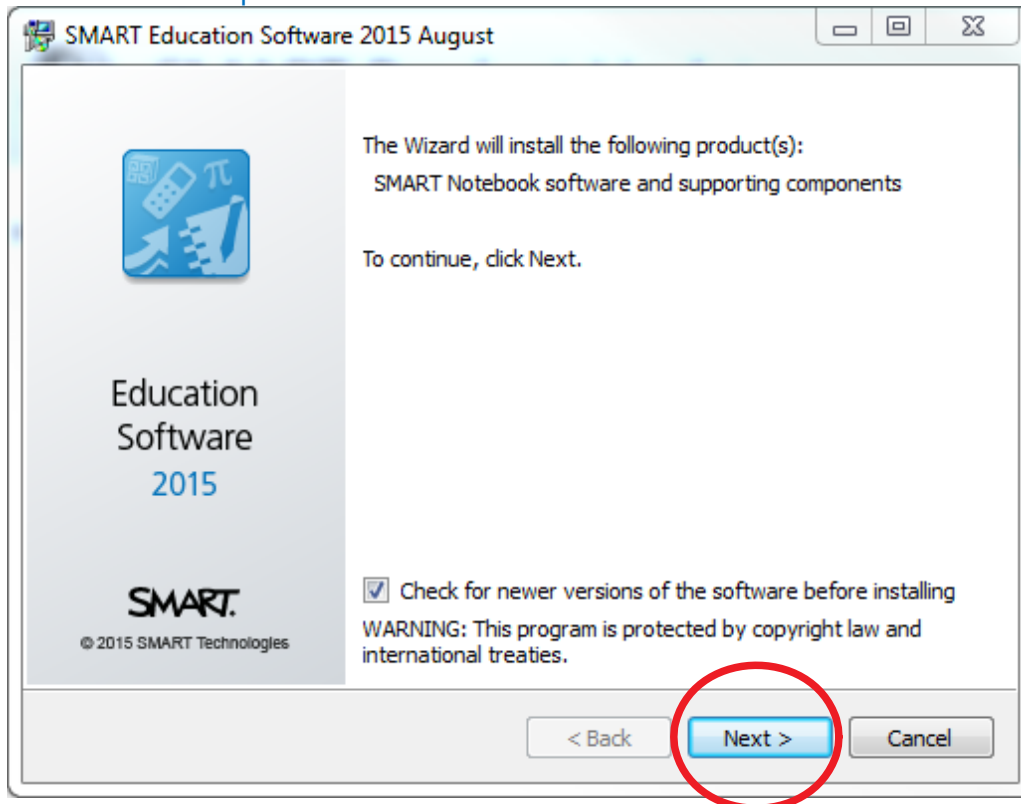

4. Click Yes.

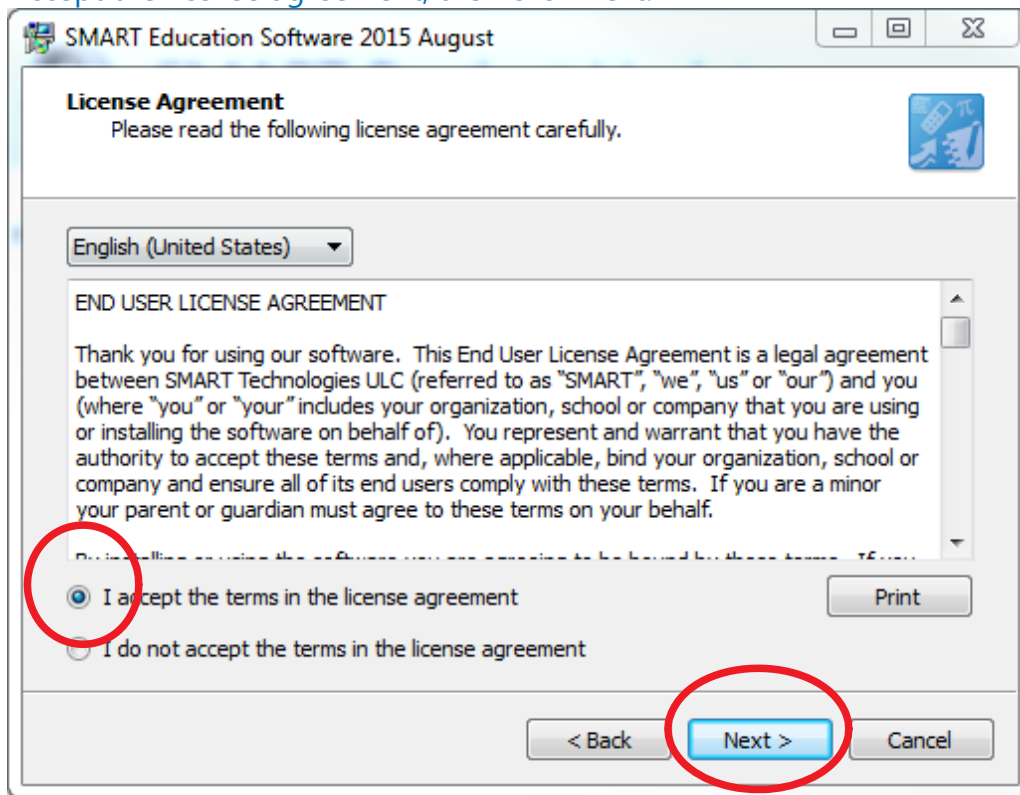

5. The update will begin.

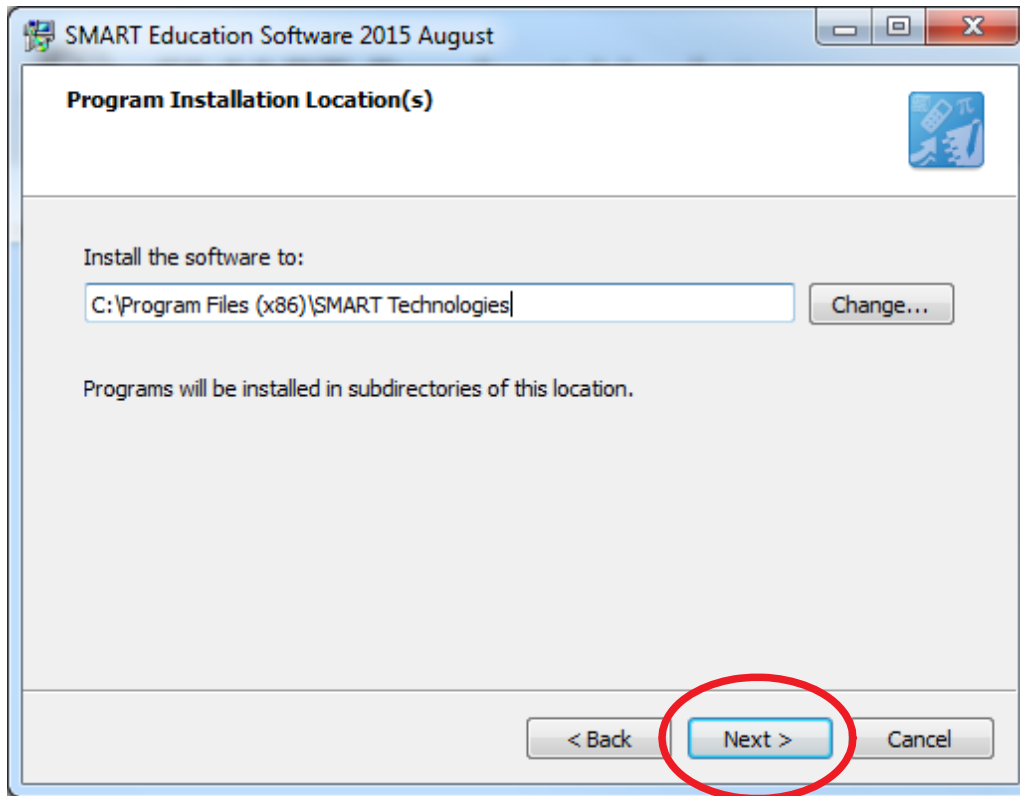

6. A new window opens. Click Next.

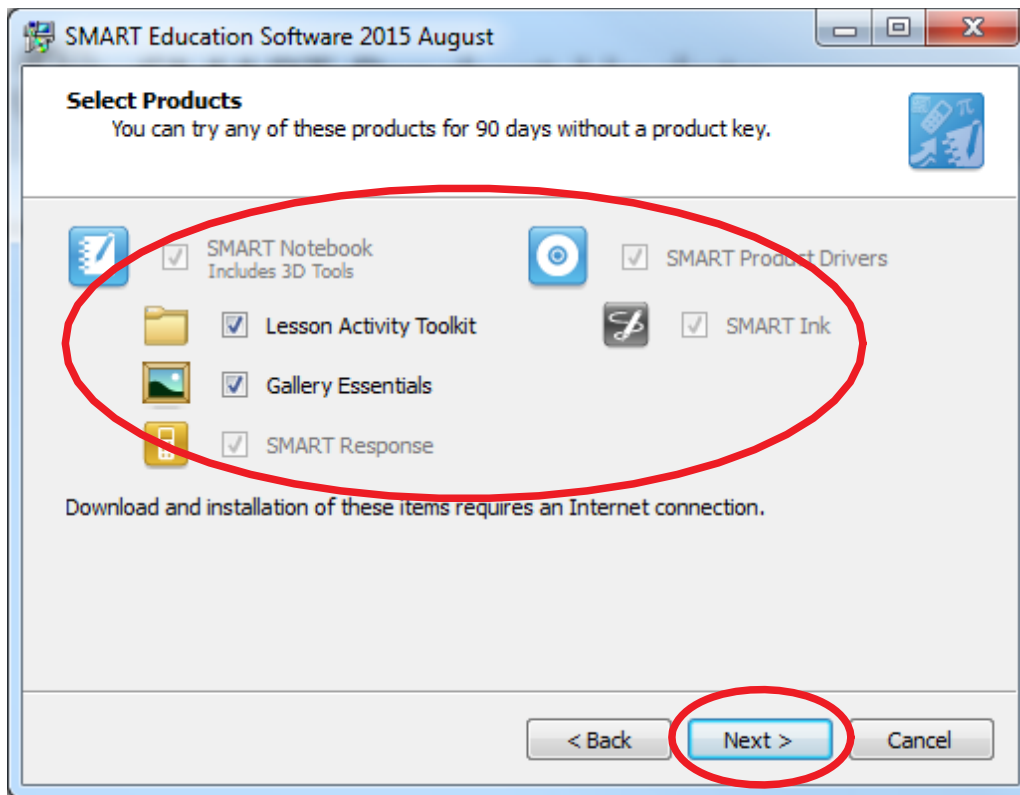

7. Accept the license agreement, then click Next.

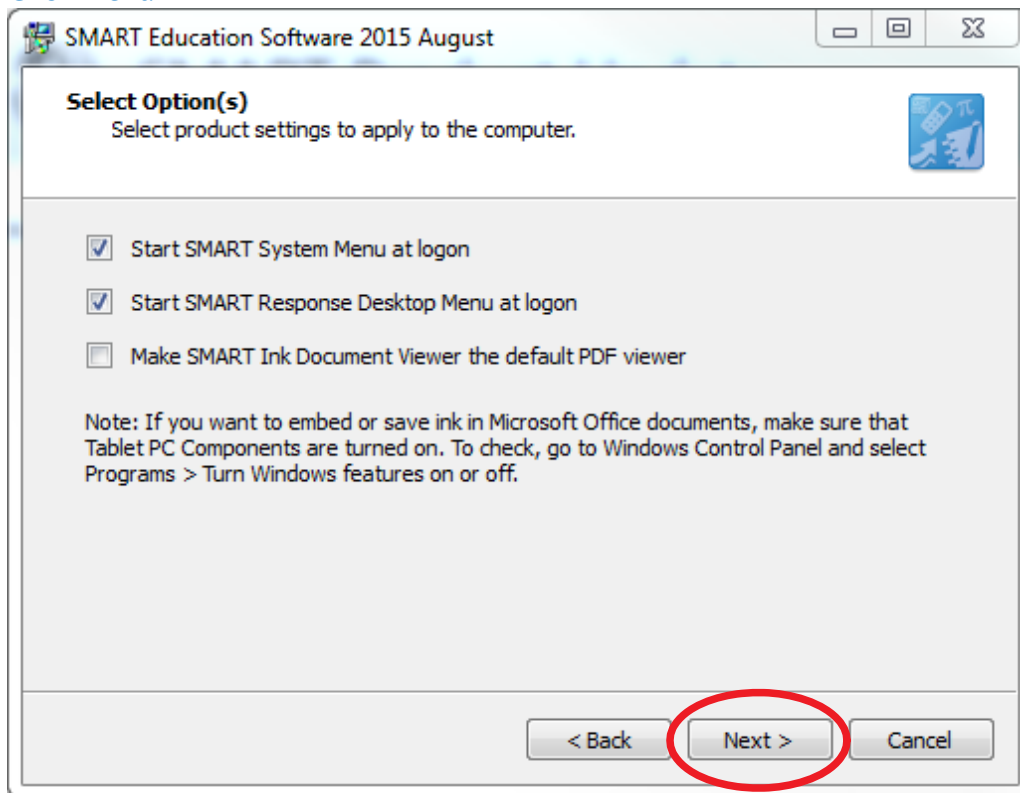

8. Click Next.

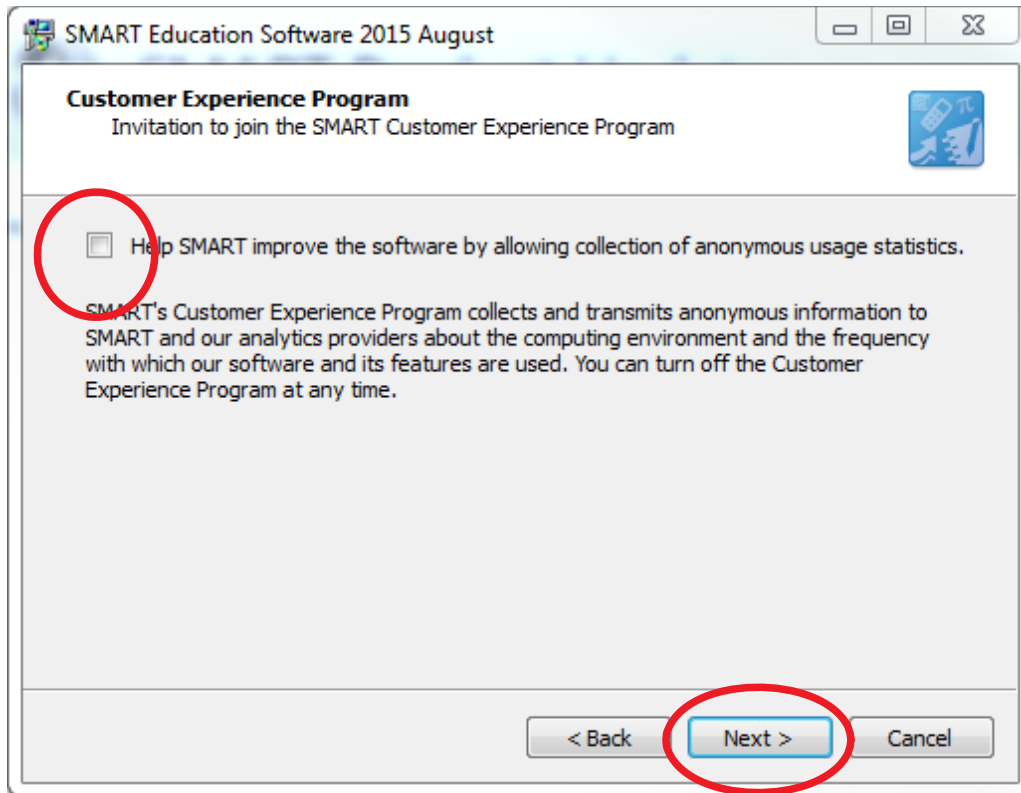

9. Check all of the boxes and click Next.

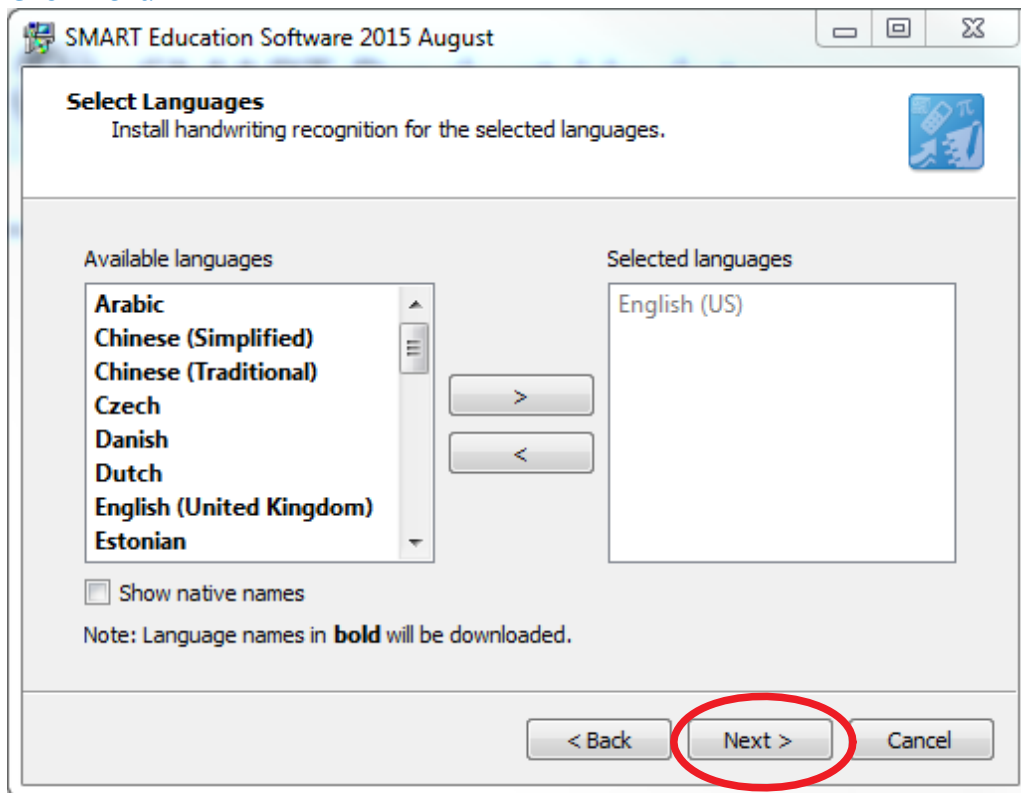

10. Click Next.

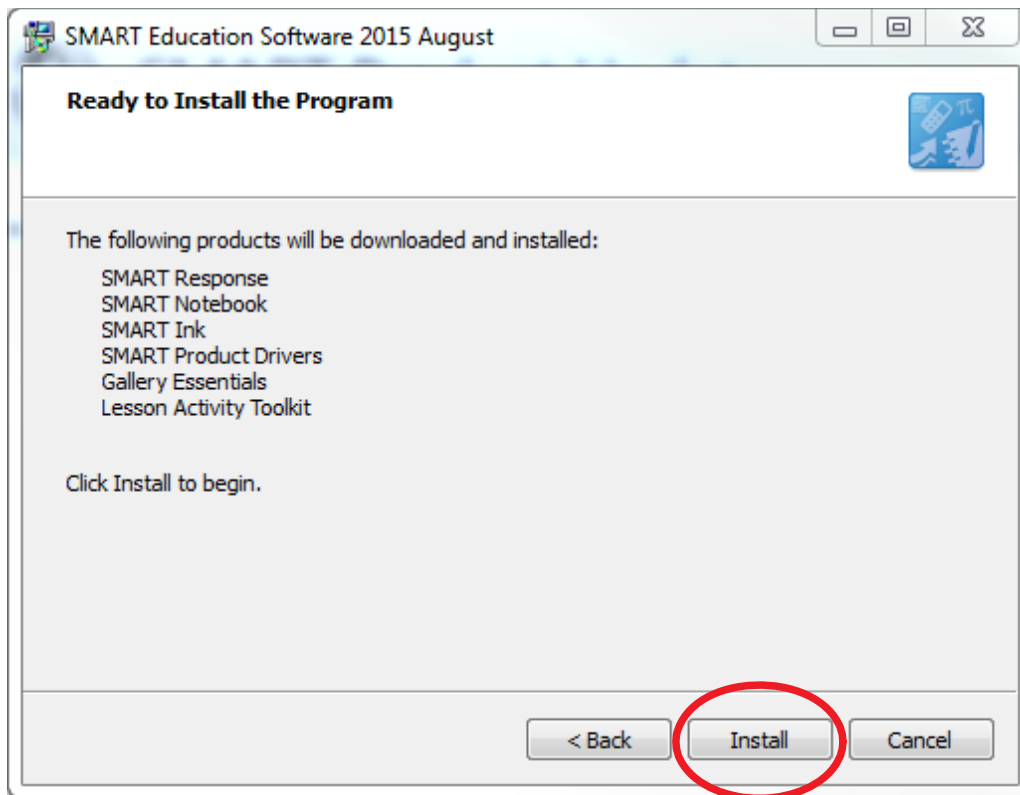

11. Uncheck the box at the top, then click Next.

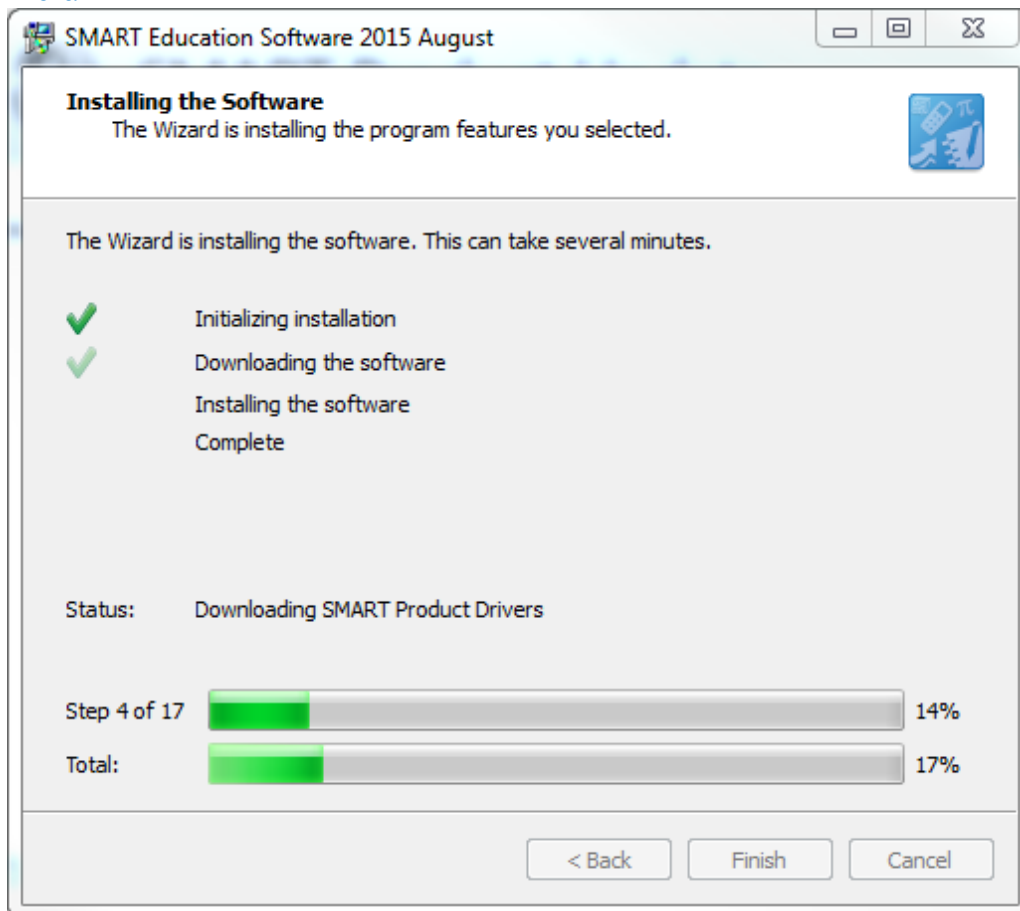

12. Click Next.

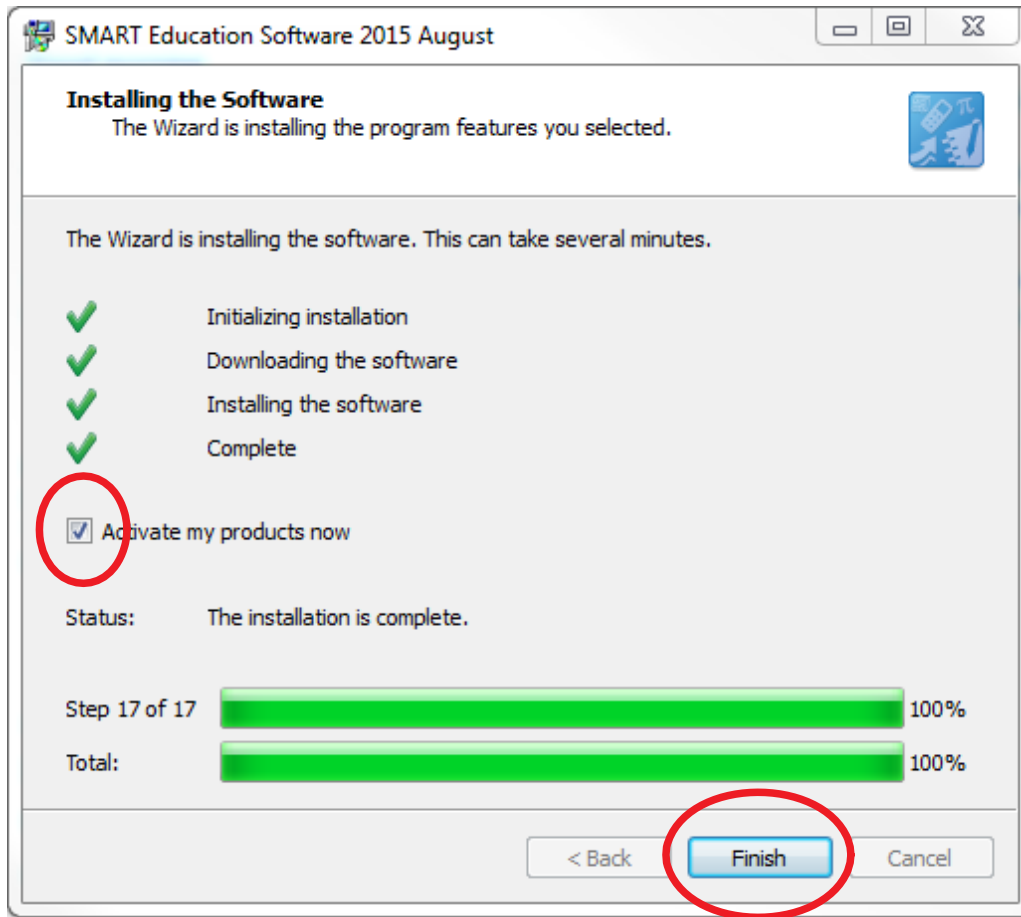

13. Click Install.

14. Wait.

15. Check the box to Activate my product now and click Finish.

16. If prompted, enter the Activation Key NC-2ADAK-DWBS6-DCBIF-SGAAA-AAA. Otherwise, click Finish.
