Dear Parents/Guardians:

It is exciting to start another year at Warner Robins High School! I hope that everyone is rested and ready to begin a new year! Our faculty and staff are ready to go, and we look forward to a great year with you and your student.

Warner Robins High School is a Title I School and has received several awards of distinction as an outstanding Title I School. We are committed to helping all of our students reach their highest level of potential. Title I is the largest federally funded educational grant. As a Title I school, we are given extra financial resources to help us meet the needs of all of our students. The documents in this handbook are an important part of the Title I program. The Parent/Student/Teacher Compact on the last pages of the handbook is very important to our partnership with you and your student as we work together to help your student reach his/her educational goals. Please read it carefully. We will refer to this compact throughout the year while working to maximize your student's academic success.

Please read this handbook and sign the two forms on the last page to acknowledge that you have received and have read these documents. Again, we look forward to another great year. We can, we will, we must change lives!

Sincerely,

Chris McCook
