

Dear Scholarship Applicant

The Warner Robins Junior Woman's League was originally established to improve the community through charitable work and contributions. One of our contributions is to provide a scholarship to four local female high school students, as encouragement to further their academic goals and to strive to make a difference in the world around us.

Recipients of these scholarships will be chosen based on merit and need. The student must be starting college in the Fall of 2019 and demonstrate potential as community leaders. Applicants need not necessarily be above average students, but show personality, strength of character, and interest in their community service. Applicants must be a female graduating student.

The application for this scholarship is attached. In addition, we will need the following to complete the submission of the application:

- Copy of your transcript for GPA verification (however, focus will be on leadership and community involvement)
- Some form of enrollment documentation from the college or university that you plan to attend
- Reference letter from an adult outside of your immediate family, who can attest as to why we should consider you for this award.

Please return the applications to your counselor by April 12th 2019. The scholarship committee from the Warner Robins Junior Woman's League will select the recipients, who will be notified by May 3rd 2019. Scholarships will be given out at a special dinner on May 14th 2019.

If you have any questions at all or need additional information, please do not hesitate to contact me at (478) 284-1030 or ChristenaBritt@gmail.com.

Sincerely yours,

Crissy Britt

Scholarship Committee Chair

Scholarship Application

Personal Data

Name _____ Date of Birth _____

Address _____

Phone _____ Email _____

Parent or Guardian _____
