

Lamar County Middle School  
is hosting a  
**Parent Teacher Conference Night**  
on  
**Wednesday, January 14, 2015 from**  
**5:00 p.m. – 7:00 p.m.**

Please drop by and see your child's teachers!

How is your child progressing through the school year?

This is the time to pick up the pace! What can we do to help? What does the student need to do differently? What can we do differently? Is homework being completed? Is classwork being completed? Are they studying each night? Is it daily grades or tests and quizzes? These are the questions that the teachers can help parents with.

We hope to see you then!
