

What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- Focus on student achievement
- Describe how teachers will help students develop skills using high-quality instruction
- Share strategies that parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to become volunteers

Jointly Developed

Sessions were held in the summer of 2017 with parent and community stakeholders to revise the previous compact and make necessary changes to address the 2018 school year. Parent Stakeholder meetings will continue through the 2018 school year.

Parents and Community Stakeholders are encouraged to make comments for revision at any time.

Building Partnerships

Parent Resource Center

Activities in our parent resource center, located at the Central Office, offers monthly activities to assist parents with learning about their child's achievement.

System and School Website

Our Goals For Student Achievement

District Goals

- Improve the district's ability to identify, collect, analyze, interpret, and report on student achievement data
- Identify factors that negatively affect graduation graduation rate between grades 3-12
- Improve attendance and discipline rate
- Improve Family & Community Engagement Efforts
- Improve achievement scores on statewide assessment with Math being a focus area
- Improve graduation rate

School Goals

At Miller County High, our goals are to improve literacy in all content areas, increase the percentage of students reading on grade level, improve the achievement of Students with Disability, and prioritize Math as an achievement gain on statewide assessments. Equally important, we want to increase the number of students scoring in the proficient range in all content areas of the Georgia Milestones. Above all else, regular attendance is a must to ensure student success.

Working Together For Success

What is Title I

Title I is a federal grant that assists students with that are the most at-risk not to make academic gains necessary to meet the state's challenging academic standards. MCES eligible to be a Schoolwide Title I School. As such, all students receive the benefit of Title I Services.

Annual Title I Meeting for Parents

Title I requires that MCES have an annual meeting in order that parents have the opportunity to understand how Title I services are provided in the School. The meeting is announced through flyers, the school marquis, school and system website, and Notify Me.

Family & Community Engagement

To ensure that parents have ongoing opportunities to be active participants in understanding about their student's achievement, parents are encouraged to:

- Watch for announcements for Parent Resource Center activities

- Become familiar with the school system's advertising process
- Engage in the system's efforts to build partnerships
- Become a stakeholder, be a representative for parents

Working Together For Success

As a school, as a parent and as a student, stay informed about:

- Student led conferences
- Maintain website and pages
- Maintain libraries of advanced information for student access
- Maintain live/online student progress monitoring
- Provide credit recovery
- Offer after school programs
- Maintain communication through agendas and Notify Me
- Maintain attendance, uphold discipline code, and support a positive learning environment
- Choices that implement the awareness of personal choices, character development, and academic success
- The effects of attendance, achievement, and graduation risk
- Participate in activities that enhance College and Career readiness
- Enhanced access to technology
