Dear MCMS Parents:

September 10, 2019

MCMS is in the process of forming a school council. The establishment of school councils is intended to help local boards of education develop and nurture participation, bring parents and the community together with teachers and school administrators to create a better understanding of and mutual respect for each other's concerns, and share ideas for school improvement.

MCMS is seeking nomination for two parents to serve on the school council. One parent will serve for one year and the other will serve for two years. After the second election, each term will be for two years each. The council will meet quarterly.

To qualify to serve, your child must be an enrolled, attending student at MCMS.

Elections will take place on Thursday, September 26, 2019 online with a link that will be provided by MCMS. We will also send out a reminder through our "Remind" system.

Please fill out the bottom of this form and return to the front office or you may email your nominations for parent representatives to Cleve Roland at [croland@miller.k12.ga.us](mailto:croland@miller.k12.ga.us)

Teachers may not serve as parents on this council.  
Please reach out to the principal if you have any questions.

Cleve Roland  
MCMS Principal
