2014-2015**

In accordance with state law {OCGA 19-7-5}, all persons wishing to serve in a Volunteer capacity in Monroe County Schools must complete a Mandated Child Abuse Training session annually. This year in addition to the training session, all prospective persons must also consent to a complete criminal background check and fingerprint check with the Monroe County Sheriff’s Office at a cost of \$20.00. Volunteers will be required to renew their request for volunteer and other required background checks annually. Guidelines below differentiate between school visitors and school volunteers:

- On campus for a short period of time with no supervisory responsibilities (i.e. classroom party visits)

Volunteer: *(A background check is required for Volunteers)*

A volunteer is a person that has direct interaction with students, with or without other adults present at all times. This would include direct interaction with students off campus at overnight events as well. Volunteers would volunteer to work one-on-one with students, volunteer on a regular, on-going basis, volunteer to provide instructional assistance, or be chaperones for school activities, etc. Examples of a Volunteer include:
