

# Third Grade Focus for Student Success

## School-Parent Compact

Revised: 08/28/16, 09/01/16

& 10/26/16

Distributed: 10/27/16

### Our Mission

*Murray County Schools instills within our students the desire to learn, to graduate from high school, and to become productive citizens.*

## Our Goals for Student Achievement

### DISTRICT GOALS

Goals were set for the entire district. The district goals for 2016-2017 are:

Literacy integration in all core content/reading and writing strategies

Student engagement strategies/technology integration

Rigor: thinking maps, common assessments

Constructive and extended responses across multiple texts.

Math strategies/STEM implementation

### CES GOALS

CES Leadership team and staff have analyzed student performance data to determine the most critical area(s) for improvement. CES staff

will focus on academic improvement of our English Learner (EL) students and students with disabilities (SWD).

CES staff will also implement district goals in our Title 1 Plan in kindergarten through sixth grade.

---

## Third Grade Partnerships

### IN THE CLASSROOM

The third grade team will work with students and families to support students' success in reading and math. Some of our key connections with families will be:

Weekly newsletters that include class/school events and current skill or standard.

Family friendly educational web sites.

Parent teacher conferences throughout the school year.

Educational Family Nights - Third grade is also involved in numerous educational family nights throughout

the school year.

### CES STUDENTS

CES Student Council discussed ideas about how students can succeed in school and reach for the stars in reading and math. Students agreed on the following ideas to make connections between learning at home and school:

Share concepts learned at school with my family.

Read a book to or with my family.

Make a game using vocabulary words or math facts with my

family.

### AT HOME

CES parents contributed ideas about how families can support students' success. Families may have other ideas to add to this list:

Communicate with the teacher on a regular basis.

Share a book with your child.

Review notes and handouts on a daily basis.

Check out the school web sites.
