

Communication about Student Learning

CES is committed to two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

- School to home folders*
- School website*
- Parent Portal*
- Infinite Campus*
- Phone calls*
- Parent Conferences*
- Text messages*
- Emails*

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure **all** our students reach grade-level standards.

Effective compacts:

Link to the school improvement plan goals

Focus on student learning skills

Describe how teachers will help students develop those skills using high-

quality instruction

Share strategies parents can use at home

Explain how parents and teachers will communicate about student progress

Jointly Developed

CES parents, students, and staff developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added

ideas to make them more specific and students told us what would help them learn. Meetings are held each year to review the compact and make

changes based on needs. Parents are welcome to contribute comments at any time.

Building Partnerships

CES offers many opportunities to build partnerships between school, family, and community.

Family nights are scheduled throughout the year.

Internet based computers and other resources are available for parent use in the Parent Resource Room.

Parents are encouraged to volunteer throughout the school.

CES partners with community members to build relationships. Our C2G partners are Little Rome, CBC Banking, Peeples Funeral Home, and Doughnut Palace.
