

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how parents and teachers can communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

The parents, students and staff of MES developed this School-Parent Compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

Parents are welcome to contribute suggestions at any time.

If you would like to volunteer or participate, please contact Kim Lydon at klydon@pierce.k12.ga.us or (912) 807-0084.

Communication about Student Learning

Reading

Increase Reading Comprehension

As a school, we will...

- Provide parents with instructional resources and strategies in journals and in Google Classroom to support learning at home.
- Provide Lunch and Learn Sessions to foster reading comprehension.
- Provide library books for nightly reading.

As a parent, I will...

- Use instructional resources and strategies provided in journals and in Google Classroom with my child.
- Attend Lunch and Learn Sessions to learn strategies to help increase my child's reading comprehension.
- Read for 20 minutes each day with my child using the strategies provided.

As a student, I will...

- Share and review instructional resources and strategies in my journal and in Google Classroom with my family.
- Bring home information about Lunch and Learn Sessions so my family can effectively support them.
- Read each night for 20 minutes using the strategies.
