### **CORONAVIRUS (COVID-19) UPDATE**

**March 24, 2020**

Parents and Guardians,

It is my hope that our Randolph County families are keeping safe and adhering to the Declaration of Local Emergency. The most recent information on the Coronavirus (COVID-19) shows that the virus is increasing at a rapid rate. As of today, Georgia has 800 confirmed cases of the virus and 26 deaths reported. This is up from the 620 confirmed cases that they announced on Sunday, March 22, 2020.

As a District, we are operating under the specific guidance given to us by the Georgia State Departments of Health and Education. We will continue to stay in close contact with both of these agencies. As of now, due to the upcoming Spring Break (April 6<sup>th</sup> through April 10<sup>th</sup>), students will not return to school before April 13, 2020. Please note that student meals will not be delivered during this Spring Break period. If anything should change, we will keep you informed through School Messenger, Facebook and our district and schools' websites.

Thank you for your continued cooperation with the Randolph County School System. Please know that we will continue to share updated information with you and as always, please STAY SAFE!

Sincerely,

*Tangela Madge*
