Dear Parents and Guardians:

As the Randolph County School System plans for the reopening of the 2020-2021 school year, we remain deeply committed to ensuring the safety and well-being of our students. It is imperative that you take a few minutes to complete a survey regarding the reopening of our schools. The survey is designed to assist the district in making the appropriate accommodations for our students, faculty and staff. The survey is confidential and will be used for district planning purposes only. The last day to complete the survey will be Thursday, October 1, 2020. Your responses will be a primary consideration as we complete the return-to-school plan our district leadership team and other stakeholders have devised. Currently, we are looking at a restart date of October 19, 2020.

Although we believe that face-to-face instruction is the best method for teaching our students, if parents are uncomfortable with face-to-face instruction due to COVID-19, virtual/distance learning remains an option. When a selection is made, it is important to remember that the learning option selected will remain for the entire semester. Students should plan to continue their selected Learning Option until December 18, 2020. In the event a change is necessary, a hardship appeal must be completed and approved by the superintendent and the district reopening committee. The district's plan for safety, instruction, transportation, and food and nutrition will be available on the district's and schools' websites on Monday, September 28, 2020.

Thank you in advance for your cooperation.

Tangela Madge
Superintendent
