August 4, 2020

Greetings Randolph County Parents & Guardians!

The Randolph County School System will provide food and nutrition to our enrolled students during the pandemic. The food and nutrition services, along with the transportation department, will deliver meals to our students. Meals will be delivered to the address registered with the school system.

The food program will start on Monday, August 10, 2020. We will provide meals on Mondays, Wednesdays, and Fridays from 11:00 a.m. until 1:00 p.m. Meals delivered on Mondays will include Tuesday's meal and meals delivered on Wednesdays will include Thursday's meal.

We look forward to partnering with our parents/guardians during this coming school year. If you have any questions or concerns, please feel free to contact me at (229)-732-2295 or (229)-310-6042.

Thanks,  
Genett G. Wimberly, Nutrition Director
