

2015 ASHS Yearbook

Senior Yearbook Debt Agreement Due Friday, October 3rd

As yearbook adviser, I need to make sure parents fully understand the financial commitment involved in purchasing a senior ad in the yearbook. In an effort to insure this understanding, seniors will not be allowed to incur yearbook ad debt without parent/guardian consent. Furthermore, a parent/ guardian must come to the school, have the front office verify that they are the parent/guardian of record, and personally turn this form into me along with down payment. CASH ONLY. This applies only to cash purchases made at school. Thanks! Mrs. K. Price
