Dear Parent(s)/Guardian(s):

The faculty and staff at Americus-Sumter County High School – South Campus would like to thank you for allowing us to educate your children. We are proud to be able to serve you and your children, and we will continually strive to provide a safe learning environment for them.

Therefore, Americus-Sumter County High School – South Campus will be conducting a “LOCKDOWN DRILL” within the next month. During this type of drill, we will secure the school building and safely shelter all students, faculty, staff, and visitors inside the building. The purpose of this drill is to keep the students safe from any danger outside or inside the building. As the “LOCKDOWN DRILL” is being conducted, all of the perimeter doors to the school building will be locked and will remain locked until the danger or issue outside or inside the building is removed. In addition, faculty and staff members are asked to lock all classroom doors, move students and self away from doors and windows, have a seat on the floor, and turn the lights off in the classroom. Furthermore, we ask everyone in the building to refrain from calling, texting, and using social media (Facebook, Twitter, etc.) during this time. To enable everyone to remain safe, no one will be allowed to enter or leave the building until authorities authorize such a release. We do not want any parents or guardians to put themselves in danger by trying to come on campus during an actual event.

Please remember the “LOCKDOWN DRILL” will be conducted to help maintain our school as a safe place to learn and work.

If you have any questions regarding this drill, please contact the front office. The telephone number is (229) 924-3653.

Sincerely,

Americus-Sumter County High School – South Campus
