

MATH AND SCIENCE PARENT NIGHT

ASHS Media Center

March 14, 2019

5:30 pm

**Let's discuss how your child can be successful in the math
and science classrooms!**

Teachers and student presenters will discuss helpful resources, strategies to use at home, and the Georgia Milestones test. Math and Science work from our students will also be on display.

Have any questions for the math and science teachers? Bring them in!

Light refreshments will be served
