TITLE I SUMTER COUNTY SCHOOL DISTRICT NEWS

Sumter County Parent-Teacher Conference

On Sept. 14th, Sumter County Schools held their first Parent-Teacher Conference of the year. Now that you've met with your child's teacher what's next?

1. Review the information given by the teacher with your child.
2. Work with your child daily with his/her homework and focus on the suggestions given to you by the teacher.
3. Check back with the teacher regularly to see how things are going as the year progress.

Literacy is Important

How well does your child read, write and communicate with others? "People who cannot write and communicate clearly will not be hired, and if already working, are unlikely to last long enough to be considered for promotion. Half of responding companies reported that they take writing into consideration when hiring employees and when making promotion decisions." (Georgia PreK-12 Literacy Task Force, 2009)

New & Improved Parent Resource Center

Visit the Parent Resource Center and check out handy materials you can take home and use with your child.

Awesome materials provided just for you are: Books, Educational Games, Math Materials, Brochures and much more!

Be the change you wish to see in your child's school.

Parents on the Prowl Is a movement compiled of parents of Sumter County students who work with the school to support, enrich, engage, and empower other parents to become active participants in their children's education. If you wish to become a part of this movement contact the school and provide them with your information. We need parents like YOU to help!
