Plan Revised September 15, 2017

What is Title I?

Sally D. Meadows Elementary School is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Sally D. Meadows Elementary will provide opportunities to improve family engagement to support student learning. Sally D. Meadows Elementary values the contributions and involvement of parents and family members to establish an equal partnership for the common goals of improving student achievement. This plan describes the different ways that Sally D. Meadows Elementary will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Sally D. Meadows Elementary School invited all parents to attend our annual School Orientation at the beginning of the school year (August 2017). A presentation of our parent engagement policy, our schoolwide plan, our school-parent compact were introduced so that parents could provide input and feedback. The plan is posted on our school website for parents to view and provide feedback throughout the year. Our annual survey announcement is sent home in students' weekly folders and the survey is available online for parents to participate. The annual survey provides valuable information for our school plan as well as insight in how to use the funds for family engagement. Throughout the year, parents are encouraged to provide feedback during several parents meeting and activities during the school year. Parents receive notification of meetings and activities in several ways including the school website, our Facebook page, and announcements sent home in weekly folders.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Sally D. Meadows Elementary School will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

The Parent and Family Engagement Policy and Plan is found on our school website, on our Facebook page, and is sent home to all parents of students at Sally D. Meadows Elementary School. Copies of the plan are available in the office of our school.
