

**Georgia Department of Education  
Parent Notification**

**NO SCHOOL DESIGNATION PARENT NOTIFICATION**

*July 27, 2017*

Dear Parent(s)/Guardian(s):

The Elementary and Secondary Education Act (ESEA) of 1965 requires that parents or guardians who have children attending a Title I school be notified of how well their school is preparing its students for college and/or a career, as well as the school's designation status under Georgia's ESEA Flexibility Waiver.

Under Georgia's ESEA Flexibility Waiver, certain Title I schools are designated as Reward, Priority, Focus, or Alert schools. The Waiver also allows the use of the College and Career Ready Performance Index (CCRPI), which serves as a comprehensive report card for all schools in Georgia. The CCRPI provides a score between 0-100 for each school, and that score measures how well the school is doing in preparing its students to be successful in college and/or a career. Wilkinson County Elementary School 2016 CCRPI score is 64.5. You can find more details on the score at the GADOE website: <http://www.gadoe.org/School-Improvement/School-Improvement-Services/Pages/Focus-Schools.aspx>

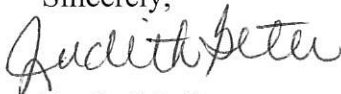

I am very proud to tell you that Wilkinson County Elementary School has not been given a school designation this year, which means we are continuing to provide a quality education to all of our students. Wilkinson County Elementary School students met the state of Georgia Performance Targets in ELA and Math. Wilkinson County Elementary School third and fourth grade students increased the number of students scoring at the Distinguished level in ELA and Math.

At Wilkinson County Elementary School, we take pride in the teaching we provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential.

An important part of Wilkinson County Elementary School's success is parent participation and support in developing activities to improve student achievement. We hope that you will become involved in our school improvement work as we continue to monitor student achievement and set high expectations. If you are interested in participating in the development of our school improvement plans, being a part of our family engagement team or have questions about how you can better help your child in school, please contact Dr. Judith Geter, Elementary School Principal at 478-946-5527 or [judith.geter@wilkinson.k12.ga.us](mailto:judith.geter@wilkinson.k12.ga.us).

Thank you for all that you do to support your child's education.

Sincerely,

Dr. Judith Geter  
Principal
