Entrance, Placement and Transfer

Entrance, Date and Age

No pupil may be enrolled in the kindergarten or first grade whose fifth (5th) or sixth (6th) birthday does not occur on or before the first (1st) day of September of the school year in which the child registers to enter school. Any child of the age of five (5) years who has completed a private or public out-of-state kindergarten for the required 450 hours but has not reached the age and date requirements set forth above, shall be allowed to enter the first grade.

Initial Enrollment

Immunization records (or an appropriate waiver) and birth certificate (subject to provisions of McKinney Homeless Assistance Act) are required for admission to the District.

If a birth certificate is not provided upon enrollment of a student for the first time in elementary or secondary school, the District shall notify the person enrolling the student in writing that he must provide within thirty (30) days either a certified copy of the student's birth certificate or other reliable proof of the student's identity and birth date, which proof shall be accompanied by an affidavit explaining the inability to produce a copy of the birth certificate. Other reliable proof of the student's identity and birth date may include a passport, visa or other governmental documentation of the child's identity. If the person enrolling a student fails to provide the information within the requested thirty (days), the District shall immediately notify the local law enforcement agency of such failure and again notify the person enrolling the student, in writing, that he has an additional ten (10) days to comply. If any documentation or affidavit received pursuant to this section appears inaccurate or suspicious in form or content, the District shall immediately report the same to the local law enforcement agency. *Local law enforcement will investigate these reports. Failure of a parent, or person in custody of a child, or a person enrolling a student, to comply with the documentation requirements of this section after a lawful request ... shall constitute a misdemeanor.*

A student transferring schools within the District need not provide proof of identity and birth date if the student's record already contains such verified information.

Placement

The goal of the District shall be to place students at levels and in settings that will enhance the probability of student success. Developmental testing, together with other relevant criteria, including, but not limited to, health, maturity, emotional stability, and developmental disabilities, may be considered in the placement of all students. Final disposition of all placement decisions rests with the principal, subject to review by the Superintendent and the Board.
