

Junior/Senior High School Supply List 2017-2018

English Supply List for 2017-2018 School Year – Mrs. King

- 1 – 1½” three-ring binder with pockets (Nothing larger, please. The shelf cannot accommodate it)
- 1 packages of 5 insertable dividers with tabs (You may find the ones with pockets handy.)
- Several blue or black ink pens (no green, red, or purple), I reserve these colors for myself.
- 1 – pencil bag to keep track of your tools (If you are planning on borrowing something to write with, it would be appreciated if you contribute to the stockpile.)
- 1-4gb jump drive to save your work, optional
- 1-box of facial tissue (Last year we ran out early because some people didn't contribute.)

If you have any of these tools left from last year, in good condition, you may reuse them.
