### New Office Procedures are coming to OES...

Your child's safety and security are very important to us. During the last hour of the day, students are moving to various learning environments and it is difficult to get a last minute message to them before the dismissal bell rings. We want to be confident that our students will arrive safely at their intended destination and we want your student to feel secure in knowing their plans in advance. While we realize it will be necessary to change occasionally, please provide your child and his/her teacher with a consistent after school directive.

If you need to make a change to your child's dismissal plans during the day, please send a note to your child's teacher OR call the office before 2:00 pm. We will no longer be taking requests for changes in after school plans after 2:00pm daily and will refer to the established after school directive if a question arises.

Thank you for your continued compliance with our building procedures as we work to keep our learning environment and your students as safe as possible.

### OES Teachers Participate in Annual Scratch For Schools Event

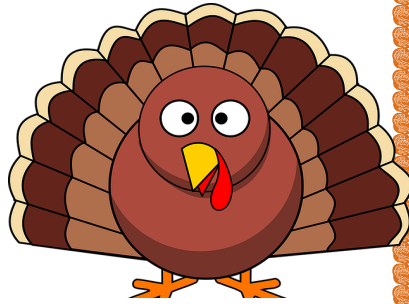

Mrs. Falk, Mrs. Roeper and Mrs. Bushey represented OES at the annual Scratch for Schools Event sponsored by the Idaho Lottery. The teacher team scratched a total of 250 tickets and were awarded \$193 on behalf of our school. Thank-you to our team for participating!

### Picture Re-Takes Monday, November 4

Picture retakes will be Monday, November 4th. If your student needs to have photos retaken, please send the original photos back with them to the photographer on that day. New students or those who did not get their picture taken previously and would like to, can pick up a picture form at the office. For questions or more information, please call 476-4212.

### *It's Time for the Turkey Trot!*

In the month of November, students will receive a turkey trot mileage card to participate in mileage club. When students walk one lap they earn a punch on their card. The goal is to fill one card, which is 20 laps or 5 miles. Students who participate in mileage club and fill their turkey trot card will earn a turkey token. Get moving OES!

**As we approach the holiday season, the staff and students at OES would like to wish you all a Happy Thanksgiving. We are so grateful for the many ways that our community continues to support our youth.**
