Fall Mileage Club has Started

Under the direction of Mrs. Jenkins the OES Mileage Club has begun again. All students are eligible to join the club and they can walk, run or jog on top hill to earn tokens, certificates and other rewards. Each lap the participating student completes around the field earns a punch on their mileage card. Every time a student fills up a mileage card he or she will get a token to put on their shoelaces, a necklace or key chain. This is a great way for students to stay active and work toward meeting personal goals.

Reminder of Procedures for pick-up and/or drop off at OES

-Pick up or drop off from the grocery store parking lot is prohibited as it requires students to cross a busy street unaccompanied.

-Please continue to use the designated drop off area. Drop off is prohibited in the parking areas as it requires students to cross the parking lot and bus unloading zone when traffic is present.

-For safety, if you are picking up your child, you may do so from our supervised pick up zone, unless you are picking up between 8-3:25. We do not hold students in the office lobby or send them unaccompanied to other areas of the campus for pick up at the end of the day.

-DO NOT park and exit your vehicle in the drive through pick up lane OR the bus loading/unloading zone at any time.

-When parking in our new lot at any time, do not park and walk in front of or between buses. OES will continue to provide staff supervision who will be available should you need assistance.

Thank you for your compliance with our safety procedures!
