TEACHER SPOTLIGHT

Mrs. Megan Morton- 6th Grade Teacher

I was raised on a ranch in Roberts, just 10 miles south of Sage Junction. Growing up I enjoyed working on the ranch, playing sports, and competing in rodeos. I was involved in 4-H and FFA, and showed steers and horses each year at the Mud Lake Fair. I made a lot of good friends in West Jeff through 4-H and rodeo, and it has been fun to reconnect when I see them at the school or WJ sporting events. I am married to Skipper Morton, and we have four children. My kids are my greatest accomplishment in life, and I love to watch them compete in sports and rodeos. My daughter, Paiten, loves to barrel race like me. My son, Wylee, has Down syndrome, and loves to lift weights, play sports, and is a super-star three-point shooter. My twins, Branson and Straton, love to play football and basketball, and also love to hunt and fish. I have worked as a Special Ed., Title I, and math paraprofessional in Rigby for over ten years. I say I'm on the "better late than never" education plan because I didn't complete my degree until days before my 40th birthday. I am so excited to be teaching at Terreton Elementary. The staff is amazing, and the community has been so welcoming and supportive. I appreciate this very much and hope to do great things at Terreton Elementary!!
