Mrs. Ransom's Classroom News

We made it through the 1st week of 1st Grade ☺

Homework: Reading Logs have been going home each day this week. Each student is expected to read for 10 minutes daily. They can read to you or they can work on their word cards for the 10 minutes. Please enjoy this time as students are beginning to become more fluent readers and improve greatly with each practice time. IF you need books that are at your child's level please contact me and I will send some books home with your child. **The reading log must be returned daily so I can credit your child with completing their reading homework and add word cards to the ring and books to the bag.**

Math homework will be sent home daily Mon-Thurs. Please check and return daily.

GOING HOME ROUTINES: Please send me a note or email me ahead of time if your child will have any changes to their going home routines.

Water Bottles: Since it is so hot and students get hot in PE as well, students are welcome to bring water bottles. They need to be labeled and will be kept away from books, but students are welcome to have them.

Tying Shoes: Please work on learning how to tie shoes.

Homework

Today : Enjoy the weekend! Get some rest!
Mon: Math page Homework 6B, Reading Log
